OBJECTIVE

A passionate and adaptable individual aiming to apply and expand my technical skills in a dynamic work environment. I strive to continuously challenge myself, contribute to organizational success, and grow through hands-on experience, teamwork, and learning new technologies.

SKILLS

- **Languages**: Java, ANSI SQL, HTML5, CSS3, Python, JavaScript.
- **Developer Tools:** VS Code, GitHub, IntelliJ IDEA, Figma.
- **Technologies/Frameworks**: WordPress, Microsoft Azure, Power BI.

EDUCATION

NBN Sinhgad Technical Institute Campus, Pune (2021-2025)
B. E. IT – **CGPA – 8.28**
Karamveer Bhaurao Patil Vidya Mandir & Junior College, Pune (2020-2021)
12th Science – **82.17%**
Priyadarshini Vidya Mandir, Pune (2018-2019)
10th – **80.20%**

INTERNSHIP

- **Internship Candidate (KasNet Technologies Pvt Ltd.)**

TRAININGS OR CERTIFICATIONS

- **Microsoft Certified: Azure Fundamentals (AZ-900).**
- **Databases for Developers: Foundation taught by Chris Saxon (Oracle Corporation).**

PROJECTS

- **File Sharing Management System - Java | HTML/CSS | MySQL | Google & GitHub API**
  - File Sharing Manager is a user-friendly platform designed to simplify file sharing and management across devices and users.
  - It offers secure, efficient transfers and collaboration for both personal and professional use.
- **Weather Website Using OpenWeatherMap API - Java | HTML/CSS | OpenWeatherMap API**
  - Developed a minimalistic weather website using Java with a clean HTML/CSS front end.
  - Integrated OpenWeatherMap API to deliver real-time weather updates in a user-friendly interface.
- **Bank Transaction Forecasting with SARIMA | Python | Excel | Jupyter Notebook**
  - Developed SARIMA models to forecast banking transactions, with data preprocessing and hyperparameter tuning in Python.
  - Delivered actionable insights for financial optimization, risk management, and strategic planning.
  - Validated models and enhanced performance in collaboration with an EXL mentor.

POSITIONS OF RESPONSIBILITY

- Social Media Team Lead | National Service Scheme (2023-2024)
- Event Lead | W-Zone - Techtonic

ACHIEVEMENT

- **Represented college at Hackatsits 2023 (Participant).**
- **Secured AIR 59 in the All India NCAT exam conducted by Naukri Campus.**
